Your personal message to Marko Marko, I am very impressed with these past 4 days. You have inspired me. You have become one of the greatest speakers I've heard - your heart, your quick mind, your thoughtful presentation is much appreciated.

What was your overall impression of Marko's "Million Dollar Foreclosure" Seminar? Excellent. I am down to my last few savings dollars due to the tough market but I came here believing I could find a way. I am convinced your system will work and can't wait to get it and help myself and my team implement your program.

Marko sent you many different "video" emails (Fox news, on the beach, at a house, etc)  
How many "video" emails do you remember receiving? What did you think of them?  
I remember receiving all of them and thought it was very thoughtful to keep me informed. It built excitement to come to the event.

What would you like to see us do differently?  
I felt it was wonderful. Thanks also for lunch.

In order for us to make more of YOU successful, we would like your feedback on the products / services that we offered. If money was not a concern, which products / services would you want?

<u>Product / Service</u>	<u>Acceptable Price</u>
